

About Us

Waikato Migrant & Former Refugee Navigate Trust is a community-focused non-profit organization dedicated to supporting migrants and former refugees as they settle, grow, and succeed in the Waikato region.

We provide practical guidance, employment support, and culturally responsive services that help individuals confidently navigate life in Aotearoa New Zealand. Our work is driven by compassion, respect, and a strong belief that everyone deserves the opportunity to thrive.

Your Development Is Precious To Us

At Navigate Trust, we believe every migrant and former refugee has the potential to succeed. We are committed to supporting your growth, confidence, and long-term wellbeing as you settle and build your future in the Waikato region.

We Provide the Best Support Services

Our dedicated team offers personalised guidance to help you navigate job opportunities, workplace expectations, education pathways, and community connections.

We ensure you receive the right support at the right time so you can confidently take your next steps in Aotearoa New Zealand.

Service which Enhance Your Life and Culture!

Our organisation provides a safe, welcoming environment where migrants and former refugees can access the tools, knowledge, and encouragement needed for success.

Whether you are looking for employment, training, or legal assistance, our team works alongside you every step of the way. We help you understand the New Zealand systems, build practical skills, and connect you with opportunities that match your strengths and goals.

Our Services

Employment Support

We help you write CVs, prepare for interviews, and understand New Zealand workplace culture. Our team connects you with suitable job opportunities.

Training & Skill Development

We offer short workshops and digital skills training to help you gain confidence and become ready for work or further study.

Legal Assistance

We connect you with trusted legal support for immigration advice, documents, and rights information, ensuring you receive the guidance you need.
